

WOX

VELA

For everything
your day becomes.

Different roads. Shared confidence.

GLOBAL MODEL CATALOGUE | SEPTEMBER 2026

Every journey has a reason.

The school run. A first meeting. A passenger to collect. A weekend worth making time for. Across Latin America, Africa and the Middle East, Vela brings one thoughtful sedan to the many journeys that make a day.

07:15

Space for family

09:00

Your city, your rhythm

11:30

A working day

16:40

A welcome aboard

20:10

Time for yourself

WOX Pioneers / 16

A considered first impression.

A defined grille, a clean shoulder line and a composed sedan silhouette. Vela pairs a distinctive WOX identity with details that feel equally at home outside an office, at a hotel entrance or on your own driveway.

4,501 mm

overall length

2,604 mm

wheelbase

Exterior visualisation; wheel and trim specification may vary.

Images are illustrative. Equipment and availability vary by market and version; see pages 17-19.

Room for what matters.

Before the day gets busy, there is a family to bring together. Vela combines an easy-to-use sedan layout with a 546-litre luggage compartment. ISOFIX child-seat anchorages and rear-door child locks are standard across all four listed versions.

546 L

luggage compartment

ISOFIX

standard across the range

Illustrative family-mobility scene. Vehicle specification varies by version and market.

Images are illustrative. Equipment and availability vary by market and version; see pages 17-19.

Find your everyday rhythm.

A familiar driving position. Controls within reach.
A city that opens up as the day begins. Electric power steering and a choice of manual or automatic transmission help you choose the Vela that fits the way you drive.

1.5 L

naturally aspirated petrol engine

5MT / 6AT

transmission choices

Blue exterior shown in an architectural setting.

Images are illustrative. Equipment and availability vary by market and version; see pages 17-19.

Everything starts here.

A clear instrument layout, adjustable steering-wheel position and six-way manual driver-seat adjustment put the essentials close at hand.

Physical ventilation controls keep everyday adjustments straightforward. The cabin shown reflects the Enjoyment specification with a manual gearbox.

Interior images are illustrative; displayed equipment, interfaces and trim may differ from locally supplied vehicles.

Bring your day with you.

An 8-inch touchscreen and phone interconnection put compatible media and smartphone functions in reach on Enjoyment versions. Bluetooth and a data/charging USB port are also listed.

Four-door power windows and remote central locking are listed across the supplied range. Small conveniences help each departure feel familiar.

Connectivity depends on market, handset, software and version. Screen content is illustrative. Use devices only when safe.

Make yourself at home.

A place to settle

Manual front-seat adjustment helps you find your position.

Texture and restraint

Fabric in Aggressive versions; fabric/PVC upholstery in Enjoyment versions.

A little more sky

An electric anti-pinch sunroof is standard on Enjoyment versions.

Sunroof and fabric/PVC upholstery are listed on MT Enjoyment and AT Enjoyment versions.

The plans can grow.

A journey may start with a briefcase and finish with shopping, sports equipment or a weekend away. Vela offers 546 litres of luggage volume in a clearly defined sedan package. The remote key includes a luggage-compartment unlock function.

546 L

published luggage volume

53 L

fuel-tank capacity

Rear exterior visualisation; luggage fit depends on item dimensions.

Images are illustrative. Equipment and availability vary by market and version; see pages 17-19.

A professional arrival.

For client visits, employee travel and the working day between them, Vela brings a composed presence and practical specification. Four listed versions let organisations select manual or automatic transmission in Aggressive or Enjoyment specification.

82 kW

maximum engine output

145 Nm

maximum torque

Illustrative corporate-mobility scene. Confirm local specification and commercial-use terms.

Images are illustrative. Equipment and availability vary by market and version; see pages 17-19.

A welcome, every time.

A passenger arrives and another journey begins. For ride-hailing, taxi and transfer operators, Vela combines a useful luggage compartment with manual or automatic transmission choices and a straightforward cabin layout. Local licensing and platform eligibility must be confirmed.

6-speed

automatic transmission available

546 L

published luggage volume

Illustrative passenger-mobility scene; no affiliation with any platform or hotel is implied.

Images are illustrative. Equipment and availability vary by market and version; see pages 17-19.

There is still time for you.

The meetings are over. The last passenger has arrived. Tomorrow can wait. Vela is ready for the part of the day that belongs to you.

Confidence begins underneath.

Confidence comes from clearly specified fundamentals: a naturally aspirated four-cylinder petrol engine, front-wheel drive, electric power steering and a conventional suspension layout designed for everyday use.

1,498 cc

All-aluminium engine; 16 valves and dual variable valve timing.

82 kW / 145 Nm

Peak output at 6,100 rpm; peak torque at 4,000 rpm.

5MT or Aisin 6AT

Five-speed manual or six-speed automatic transmission.

Chassis fundamentals

MacPherson front suspension, torsion-beam rear and electric power steering.

Technical description is based on the supplied 2026 configuration sheet and does not imply affiliation with another vehicle brand.

Keep the numbers in view.

6.05

L/100 km / 5MT

6.11

L/100 km / 6AT

53

litres / fuel tank

Published WLTC combined fuel-consumption figures provide a reference for comparing the two transmissions. They are laboratory-cycle values; traffic, temperature, load, driving style and vehicle condition affect actual results.

FOR FLEET PLANNING

Build your operating-cost estimate around local fuel prices, annual distance, maintenance, insurance and downtime. Confirm service arrangements and taxi or ride-hailing warranty conditions before ordering.

WLTC figures from supplied 2026 configuration sheet. No guaranteed real-world fuel cost, range or earnings is implied.

For everyone who travels with you.

The supplied range lists front airbags, electronic stability control, anti-lock braking, brake-force distribution, traction control and hill-start assistance.

ISOFIX anchorages, rear-door child locks and a tyre-pressure warning system support everyday use. Enjoyment versions add front side airbags, curtain airbags and rear parking sensors.

The body specification lists hot-formed high-strength steel, laser-welding technology and an energy-absorbing steering column.

Systems assist the driver; they do not replace attentive driving. Equipment differs by version. No crash-test rating is claimed.

WOX

Your journey can shape ours.

WOX brings passenger and commercial mobility together with wider ambitions across energy, infrastructure and future transport. Its international outlook connects teams in Türkiye, Poland and China with the needs of local markets.

Workshop image is an illustrative concept; it does not document a specific event or participant.

The details, clearly set out.

Engine	1,498 cc petrol; naturally aspirated; inline four-cylinder
Maximum power / torque	82 kW at 6,100 rpm / 145 Nm at 4,000 rpm
Transmission / drive	5-speed manual or Aisin 6-speed automatic / front-wheel drive
0-100 km/h	12.0 s manual / 12.5 s automatic
WLTC combined consumption	6.05 L/100 km manual / 6.11 L/100 km automatic
Length / width	4,501 mm / 1,704 mm
Height	1,469 mm Aggressive / 1,479 mm Enjoyment
Wheelbase / luggage / fuel tank	2,604 mm / 546 L / 53 L
Suspension	Front MacPherson independent / rear torsion beam
Brakes	Front ventilated disc; rear drum (Aggressive) or solid disc (Enjoyment)
Steering	Speed-sensitive electric power steering
Reference fuel / emissions	RON 92 / China 6; confirm destination-market specification

Reference data from the supplied 2026 configuration sheet. Final homologated local specification governs the supplied vehicle.

Choose around your day.

Four source versions combine two equipment specifications with manual or automatic transmission. Marketed WOX names and final local content must be confirmed before publication in each country.

FEATURE	MT AGGRESSIVE	AT AGGRESSIVE	MT ENJOYMENT	AT ENJOYMENT
Transmission	5MT	Aisin 6AT	5MT	Aisin 6AT
Wheels	14-in steel	14-in steel	15-in alloy	15-in alloy
Seats	Fabric	Fabric	Fabric / PVC	Fabric / PVC
Front airbags; ESP / ABS / EBD / ASR / HHC	Std	Std	Std	Std
ISOFIX; child locks; tyre-pressure warning	Std	Std	Std	Std
Front side and curtain airbags	-	-	Std	Std
Rear parking sensors; cruise control	-	-	Std	Std
Electric sunroof; front centre armrest	-	-	Std	Std
8-inch touchscreen / phone interconnection	-	-	Std	Std
Audio speakers / USB	2 / charge	2 / charge	4 / data	4 / data

“Std” means listed as standard in the supplied source configuration. A dash means not listed for that version. Optional ETC references and market-specific adaptations require separate confirmation.

Version names reproduce the supplied source sheet: MT Aggressive, AT Aggressive, MT Enjoyment and AT Enjoyment.

Before your next journey.

Specification and availability

This global catalogue is for general information, not an offer or contractual specification. Vehicles, equipment, colours, accessories and availability vary by country and version and may change. Confirm the final vehicle specification, local approval, price, delivery and contractual terms with the authorised seller.

Images and colour

Images supplied for this catalogue include digitally modified vehicle visualisations. Badges, wheel details, interiors, displays and colours may differ from production vehicles. Screen reproduction and lighting affect colour appearance; confirm the production paint code and sample. Pastel grey is a visual presentation, not a confirmed paint-order code.

Performance and consumption

Technical figures derive from the supplied 2026 source configuration. WLTC consumption is measured under controlled conditions; actual results vary. Fuel grade and emissions classification are source-market references and do not establish approval in any destination market.

Warranty and commercial use

The source sheet lists 3 years or 100,000 km. This is not a global WOX warranty commitment. Applicable coverage, exclusions, service requirements and taxi, fleet or ride-hailing conditions are defined by local written terms. No platform eligibility, earnings, residual value or maintenance cost is guaranteed.

Brand, community and rights

Vela is presented as a petrol model. References to the wider WOX ecosystem do not imply electric, autonomous or connected-fleet features on this vehicle. Pioneers participation and experiences are subject to current programme terms. Third-party names belong to their owners; no endorsement is implied. © 2026 WOX Motor. All rights reserved.

Where will Vela take you?

For your family. For your business. For the next passenger. For everything your day becomes. Explore Vela, confirm your local specification and become part of the WOX story.
